

Your Holmdel Guide

to supporting local restaurants

Mayor Buontempo and the Township Committee urge you to support local restaurants during this time. Our local restaurants care about and are invested in the well-being of our community and its future. We're committed to providing you with a guide where you can find information you need to continue shopping small. Inquire with individual locations for special offers and discounts to help alleviate costs. Be sure to check back for updates regarding which restaurants are open.
