

Township of Holmdel

COVID-19 Update
April 3, 2020

Message from Mayor Buontempo:

Good evening. This is Mayor Greg Buontempo.

As we wrap up another week of this “new normal”, I hope everyone is staying safe at home.

I remind you about our Holmdel Heroes event tomorrow. Residents need to show their appreciation and support of our local heroes working on the front lines. We encourage families to dress up as their favorite local superheroes - doctors, nurses, police officers, firefighters, EMTs, teachers, infrastructure maintenance workers, etc. – and snap a picture or take a short video thanking them. Please tag us on Facebook @Holmdel Township Recreation with the hashtag: #holmdelheroes. This is an opportunity for the entire Holmdel community to say “thank you” together.

Also, some of you may have heard about the *Chase the Rainbow* initiative, which encourages families to tape hand-painted drawings of rainbows on their windows, so people can spot as they go on their social distancing walks. Well, we are putting our own Holmdel twist on this phenomenon. We have uploaded a Holmdel Hornet to our website and are asking families to color them and tape them on their front window. This will serve to remind everyone that we are all in this together and to remain Holmdel Strong.

Finally, Town Hall continues to operate, even though the building is closed to the public. You can call or email us with any questions or concerns. The Township Committee will have our regularly scheduled meeting via Zoom on April 14th at 7:30 pm. More log-in information will be shared next week.

Thank you for your time. Unless there are any significant developments over the weekend, I will be back in touch with all of you on Monday.

Stay safe. Stay healthy. And, Stay home.
