

Township of Holmdel

COVID-19 Update
December 4, 2020

Message from Mayor Buontempo:

Good evening. This is Mayor Greg Buontempo. Tonight, I have four updates.

First, Holmdel currently has **195 active** COVID-19 cases. This is now our highest number of active cases since the beginning of the pandemic. As of this week, the Township has had a cumulative total of **565 positive COVID-19 cases**. These numbers underscore how important it is that each of us continue our efforts to protect the community by wearing masks, socially distancing, and limiting our social gatherings.

Next, the Governor has announced that outdoor gatherings will be limited to 25 people starting this Monday. The indoor limit remains at 10 people. Religious and political gatherings as well as outdoor dining are unaffected by this change.

Third, on Wednesday, the CDC updated its guidelines regarding quarantine. If you have been exposed to someone who has tested positive for COVID-19 and you are asymptomatic, you should now quarantine for 7 days if you receive a negative PCR test or 10 days if you do not take a PCR test.

Finally, I am pleased to announce that Holmdel Township has partnered with Ocean Health Initiatives to offer COVID-19 PCR testing at the Holmdel Swim Club on Monday, December 14th from 9:00 am - 3:00 pm. Flu vaccinations will also be available for those over the age of 19. There are a limited number of PCR testing kits and pre-registration is **required**. Please visit the Holmdel Township website to register for a test and print the required forms.

I encourage you to follow our Facebook page and to subscribe to notifications from the Holmdel Township website so that you are up to date on the latest Township news, guidance, and prevention tips.

If you have any questions or feedback, you can always contact me at mayor@holmdeltownship.com.

Have a wonderful weekend! And as always, stay healthy and stay safe. Goodnight.

IMPORTANT NOTICE: To register for the COVID-19 test site on December 14, 2020, please click the following link to select a time session, complete a registration form, and print/complete the required forms:
