

# TOWNSHIP of HOLMDEL

COVID-19 Update  
March 19, 2021

Good evening. This is Mayor Greg Buontempo.

I would like to begin tonight by offering my condolences to the victims of Tuesday's horrific attack in Atlanta. Holmdel Township stands with the Asian American community in denouncing this act of violence and we will keep the victims and their families in our prayers.

With regard to the pandemic, New Jersey's COVID-19 transmission rate increased to 1.06 this week. Overall, we are doing better than we were in the Fall, but this increase in cases means we must be attentive to CDC guidelines and prevention measures so that we can slow the spread.

Holmdel has expanded its Vaccine Accommodation Program to now include all residents who are at least 65 years old. Additionally, we are assisting teachers and school staff who live or work in Holmdel. If you meet one of these qualifications and would like assistance, please call us at **(732) 946-2820 extension 1204**.

The Township Committee is extremely grateful for two crucial partnerships with Bayshore Medical Center and the Visiting Nurses Association of Central Jersey that make this program possible.

For those who are interested in our current case numbers, Holmdel Township has **123 new** COVID-19 cases since the beginning of March. As of today, the Township has a cumulative total of **1,369** positive COVID-19 cases.

As always, I thank you for all you do to help move *Holmdel Forward*. Stay healthy and stay safe. Goodnight.
