

Township of Holmdel

COVID-19 Update
April 9, 2021

Good evening, this is Mayor Greg Buontempo.

Beginning April 19th, all New Jersey residents over the age of 16 will be eligible to receive a COVID-19 vaccine. As vaccine eligibility continues to expand, the Holmdel Township Committee is committed to ensuring that those most in need of a vaccine will not be left behind. Residents who are at least 55 years old, teachers and school staff, and those with functional disabilities can call us at **(732) 946-2820 ext. 1204** to receive assistance with getting an appointment.

Unless your doctor has specifically told you otherwise, the vaccine that is best for you is the vaccine that is available to you. The most important thing is just to get any COVID-19 vaccine, period.

Below I have included a link to New Jersey's webpage which connects all eligible citizens with a vaccine provider as well as an exhaustive list of those eligible to receive the vaccine. It is important to remember that it may take some time to obtain an appointment, and the process will require some patience.

As per new guidance from the state of New Jersey, fully vaccinated individuals who travel domestically are no longer required to self-quarantine after their trip nor do they have to get tested before or after travel.

For those who are interested, I have included Holmdel's current COVID-19 case numbers at the bottom of this page.

As always, I thank you for all you do to help move *Holmdel Forward*. Stay healthy and stay safe.

Goodnight.

Holmdel Township Cumulative COVID-19 Cases: 1,537
Holmdel Township COVID-19 Cases Since April 1st: 63
