

# Township of Holmdel

COVID-19 Update  
April 23, 2021

Good evening,

Earlier this week, the state of New Jersey opened COVID-19 vaccine eligibility to all New Jersey residents over the age of 16. Right now, those who are 16 and 17 years old are only eligible to receive the Pfizer vaccine and must be accompanied to their appointment by a parent or guardian.

Below, I have provided Holmdel's current COVID-19 case numbers for those who are interested, as well as a link to New Jersey's Vaccine Finder webpage which connects eligible residents with vaccine providers.

I want to remind everyone that Holmdel Township will host two events this Saturday at Bell Works. The first is ***Large Item Drop-off***, which will run from 9am until 2pm. The second is ***Community Tree Recovery Day***, in which Holmdel residents are invited to stop by for a free tree seedling. The tree pick-up will run from 8am until 2pm, or until we run out of seedlings. Residents should plan to enter Bell Works for both events at the Middletown Road entrance.

As always, I thank you for all you do to help move *Holmdel Forward*. Stay healthy and stay safe.

Goodnight,

**Mayor Greg Buontempo**
